DEER CAMP

THE MUSICAL!

Written by **Gene Jurek** Music by **Doug Spartz**

BETWEEN THE BEER AND THE BULL, WHO HAS TIME TO HUNT!

TAKE FOUR BUDDIES FROM ELMWOOD, MIX IN PLENTY OF COLD BEER, LOTS OF SONGS, AND A HUNTING SHACK, AND THE ONLY ONES SAFE IN THE WOODS ARE THE DEER!

For years these Mighty Hunters have spent all their time in the 'hunting' shack doing nothing but shooting the bull and sipping some suds. But this year they have a problem. The guys are under a threat from their wives to "bring home a deer instead of a hangover." What to do to solve this dilemma: shoot one? buy one? steal one? They try everything with hilarious results.
